How is the Direct Debit work?

- Direct debit includes Junior Coaching sessions and Chesterfield Lawn Tennis Club membership.
- All direct debit payments go out on the 1st (or within 3 working days) of each calendar month, the direct debit is for the upcoming month.
- The direct debit is worked out of a 52-week year e.g. a 1 hour session is £8.66 x 52 weeks = £37.53 monthly.
- This allows for deductions when classes are cancelled, such examples include; school holidays, bad weather and planned closures. We plan to run for 38 weeks of the year following the Derbyshire school terms.
- Deductions are credited to your direct debit on the proceeding months cycle fee e.g. May half (29th Math to 4th June) is a planned closure of the programme, therefore if your child attends a 1-hour class you will have £8.66 deducted from your 1st July payment.
